Chorus

All I wanna do is praise Your name
From the rising of the sun 'til the going down of the same
You are my God and all I wanna do is praise Your name
I praise Your name
We lift our voices and proclaim
You are my God and all I wanna do is praise Your name

Verse 1

You are holy
You are, You are my God
You are righteous
You are my God
I want everything I do to bring You glory
You are, You are my God
You are full of grace and mercy
You are my God

And I will ever praise You

Chorus

Verse 2

You are faithful
You are, You are my God
You are sovereign
You are my God
Every good thing it comes from You Lord
You are, You are my God
No one can compare to You
You are my God

And I will ever praise You

Chorus

Bridge

When You give me much
I will praise You
And when You take away
I will praise Your name
With my last breath
I will praise You
For all eternity
I will praise Your Name
